2. OFFICE OPTIONS

Shams will provide three facility options in addition to the currently available shared desk facility. Shams facilities will be designed to serve clients and cater to their needs and requirements. All four facilities will provide access to Wi-Fi, a printer and a meeting room.

Dedicated Desk - A dedicated desk is an assigned space for individuals wishing to run their business close to like-minded entrepreneurs.

Shared Desk - A shared desk is a common space shared by creative entrepreneurs. It's ideal for today's entrepreneurs seeking flexible space and networking opportunities.

Dedicated Office - A dedicated office is an assigned lockable office space used on an individual basis. Ranging from a single desk space to possibly a group of desks, a dedicated office offers a private working environment while boosting collaboration among the members of the company.

Shared Office - A shared office facility allows companies registered within Shams to network, creating more opportunities for businesses.
